COVID-19 GSO Updates

Following the recent UK Government Briefing, Public Health England has confirmed that from **Monday 17th May 2021**, gathering limits at support groups, including AA, will increase to **30 people**. (Different rules apply within Scotland and Wales.) Please continue to exercise caution and consider the guidance on risks associated with COVID-19 and actions you can take to help keep you and others safe.

Meeting Information

As lockdown eases more meetings are beginning to open their 'physical' doors once again. It is therefore important that all groups please inform GSO of any changes so that your meeting can easily be found by the newcomer. If your meeting shows on the meeting finder as "**Status of Meeting Unknown due to Covid-19**" please let GSO know your current status. If your meeting has temporarily closed, moved online or re-opened you can email: groupinformation@gsogb.org.uk or if your meeting has closed permanently or you have opened a new meeting you can fill in the [pink form](#) online.
